Dear "Time of Roses",

Just a belated note to thank you for coming to our workshop in Lübeck. It can't have been easy for you to be there with one singer missing, so many thanks from us for coming. You really were fabulous, and had a very special and original sound. The Steeleye Span song you sang has stuck in my memory, as you sang it so hauntingly. If you ever get the chance to hear an American group called "Sweet Honey on the Rock", then check out some of their songs — you remind me of them.

I hope you felt you gained something from the course — it means a lot to us to imagine that we can help a group maybe in the smallest way. Keep in touch, and all best wishes,

Bob
